

Dog Aging Project

Longer, healthier lives. Together.

YEARLY DAP PACK TASKS & ACTIVITIES

The **Annual Follow-Up Survey (AFUS)** is sent on the **DAP Pack anniversary date** and varies by participant.

Write down your Pack Anniversary Month: _____

February

1-2-3 Treat Activity

You'll need a helper

Note

Participants in some parts of the project may be invited to other tasks on a variable schedule.

April

Measurement & Mobility Activities (M&M)

Measuring Your Dog

Stair Climb Activity

Jog & Run Activity

Activity not right for you or your pup? *That's Okay!*

At-home activities are not required for participation.

Whether you complete an activity or opt-out through your portal, you're contributing valuable information to the study.

You'll also be invited again next year in case things have changed.

August

Treat Hide & Seek Activity

Note

You will have **40 days to complete** any task, activity, or survey in your DAP personal portal.

September

Canine Social & Learned Behavior Survey (CSLB)

Reminder: *Tasks/activities are not mandatory for project participation.* We do ask that the Annual Follow-Up Survey be completed every year, as it is the foundation of our research.
